

BUSINESS AND COMMUNICATION

BACHELOR OF ARTS IN DIGITAL MARKETING & COMMUNICATION

INSCAPE

COURSE INTRODUCTION

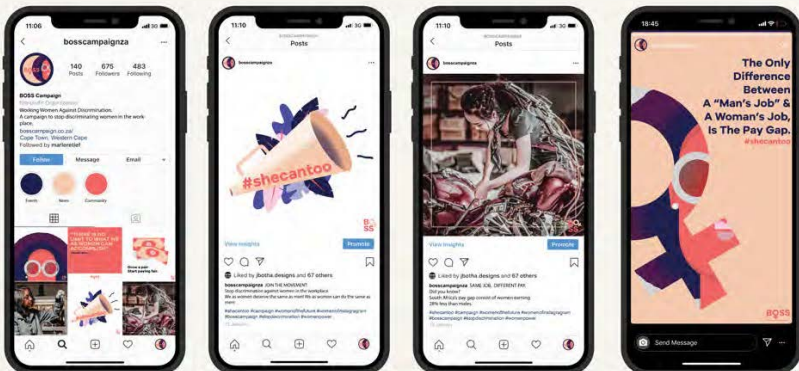

The Bachelor of Arts in Digital Marketing and Communication equips students with in-demand knowledge and skills for access to a variety of career paths within the ever-growing field of digital marketing and communication. Students address theories, professional practices and experiential learning in digital marketing and communication and learn to problem solve in various contexts. This degree has its foundation in design thinking, design being a highly sought after skill in the increasingly automated world. Upon completion students may continue with postgraduate studies.

COURSE OVERVIEW

- Students immerse themselves in the multi-platform communication world of digital marketing and communication.
- Equips students with communication, marketing and multidisciplinary knowledge, applied through creative design thinking and digital technology.
- Student work **makes use of digital technology to apply marketing and communication theories** globally and locally.
- **Gain knowledge and skills to provide an organisation or small business with a competitive edge to their communications and marketing strategies.**
- **Learn sought-after skills** such as creative thinking, facilitation and innovative design processes. Design thinking is a sought-after skill in the business world where there is a need to produce innovative, sustainable, ethical and socially responsible marketing solutions.
- **Work across multiple disciplines using a variety of knowledge, strategies and problem-solving skills whilst emphasising the use of digital media.**
