# Admission Requirements

## BACHELOR OF ARTS HONOURS IN DESIGN

Existing (NQF level 7) Bachelor of Design or Bachelor of Arts in Design or degree in a related field, or an Advanced Diploma in Design or related field may gain access to the Bachelor of Arts Honours in Design. Students must have attained a minimum average of 60% in the final level of study in order to be accepted into the programme.

Applications from students who wish to gain access through RPL will be considered. The RPL process is described in the [Inscape Admissions Policy](#) and Inscape RPL Application form. Contact the Registrar at [registrar@inscape.co.za](mailto:registrar@inscape.co.za) for more detail on the RPL process.

## ADVANCED DIPLOMA IN USER EXPERIENCE DESIGN

- Students may be accepted into the Inscape Advanced Diploma in User Experience Design if they have a Diploma or Degree in Design or one of the fields of Design at NQF Level 6 or 7.
- Applications from learners who are qualified in other fields or who wish to take the Recognition of Prior Learning (RPL) route will be considered. Learners seeking access to the Advanced Diploma in User Experience Design who do not have an appropriate entrance qualification may be considered for the RPL route but will only be admitted at the Academic Committee's discretion in accordance with the institutions RPL policy. An RPL assessment process is used to evaluate the knowledge and skills of learners wishing to gain access, credits or advanced standing. Supporting documents must be submitted to provide evidence of knowledge, skills and values and should include but are not limited to a curriculum vitae with a detailed work history, portfolios of completed work, workplace training schedules and examples, certificates for appropriate non-accredited software training and reference letters from workplace supervisors. Examples must have been completed within the past five years. The RPL process is described in the [Inscape Admissions Policy](#) and Inscape RPL Application form. Contact [registrar@inscape.co.za](mailto:registrar@inscape.co.za)

### **Additional Requirement for International Students**

For admissions to the Advanced Diploma in User Experience Design programme, any foreign qualification at an equivalent level to the NQF level 6 must be submitted to South African Qualifications Authority (SAQA) for evaluation of equivalence. Once this has been confirmed and Inscape has received the documentation the application will be considered.

# Admission Requirements

## HIGHER CERTIFICATE

National Senior Certificate (NSC) with admission to a Higher Certificate, with English as a subject. Applications from students who wish to gain access through RPL will be considered. The RPL process is described in the [Inscape Admissions Policy](#) and Inscape RPL Application form. Contact [registrar@inscape.co.za](mailto:registrar@inscape.co.za)

### **Additional for International Students:**

For admission to Higher Certificate: South African Qualifications Authority (SAQA) evaluation of National Senior Certificate NQF4 equivalence.

**Sewing Machines:** You will need a machine after the first few modules. There is no need to rush out and buy one now.

If you are unsure of whether you will continue a fashion design career purchase a less expensive entry level machine.

If however you feel that fashion will be a lifelong passion rather invest in a good quality domestic machine and overlocker /serger. There will be consumables that will remain an ongoing cost. Your lecturer will identify what materials are needed for each brief.
